

Note: The template pieces for all the star points are the same size. So don't stress to much over the color because the colors can be rearrange at any time simply by moving the fabric around after they are cut.

Note: If you are curious, and want to know how the colors are used in the quilt, refer to page 15, Illustration 1 to see the position of each color in the Four Block Color Layout.

1. The strips for the medium star fabrics are cut 10" by 42" wide. Refer to **Line 19** on the cutting chart, page 17, for the number of strips to cut from each of the eight colors.

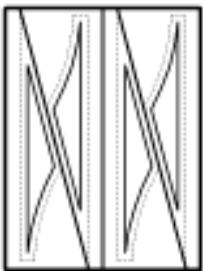

** Note: If you are making the 6 by 7 ring layout please refer to the special cutting note in Booklet Two for the 80" by 90" layout.*

2. Crosscut the strips into 7" by 10" pieces. Refer to **Line 20** on the cutting chart, page 17, for the number of pieces to cut from each color.

3. Separate the pieces by color, then re-stack the pieces **right-side-up**. The colors are divided into two (2) groups.

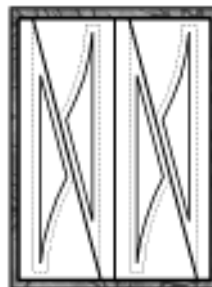

Group 1: Colors, 1, 2, 7, & 8 are placed in group 1. These pieces are used to cut the medium center star points. Refer to **Line 21** on the cutting chart, page 17, for the number of pieces needed from each color. Clip together the pieces for each color, then place them with the **Medium Center Star, Template Layout Sheets** in Bag #4.

Group 2: Colors, 3, 4, 5, & 6 are placed in group 2. These pieces are used to cut the medium melon star points. Refer to **Line 22** on the cutting chart, page 17, for the number of pieces needed from each color. Clip together the pieces for each color, then place them with the **Medium Melon Star, Template Layout Sheets** in Bag #5.

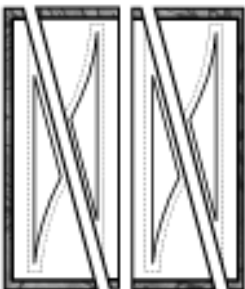

**Group 1: Medium Center Star
Template Layout Sheet:
Bag #4.
Colors 1, 2, 7, and 8**

1. Stack the 7" by 10" medium star pieces into four (4) stacks.

2. Position one (1) copy of the **Medium Center Star, Template Layout Sheet** onto each stack.

3. Place a ruler onto the **Template Layout Sheet**. Line up the edge of the ruler with Line 1. Slice through the paper and fabrics with your rotary cutter.

4. Repeat the same cutting process for each stack until all the pieces are cut for your quilt.

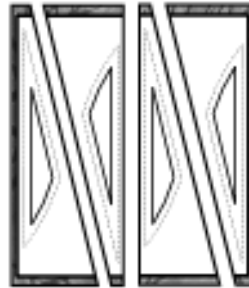

5. Clip the templates and fabric pieces together for each section with a binder clip. Place the **CMS-1** template pieces into Bag #4 with the foundation papers for **Unit CMS**.

**Group 2: Medium Melon Star,
Template Layout Sheet: Bag #5.
Colors 3, 4, 5, and 6**

1. Stack the 7" by 10" medium star pieces into four (4) stacks.

2. Position one (1) copy of the **Medium Melon Star, Template Layout Sheet** onto each stack.

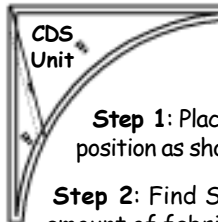

3. Place a ruler onto the **Template Layout Sheet**. Line up the edge of the ruler with Line 1. Slice through the paper and fabrics with your rotary cutter.

4. Repeat the same cutting process for each stack until all the pieces are cut for your quilt.

** Note: Remember, if you are making the 6x7 ring layout please refer to the special cutting note in Booklet Two for the 80" x 90" layout.*

5. Clip the templates and fabric pieces together for each section with a binder clip. Place the **M-1** template pieces into Bag #5 with the foundation papers for **Unit M**.

Foundation Paper Piecing: CDS Units: Bag #3

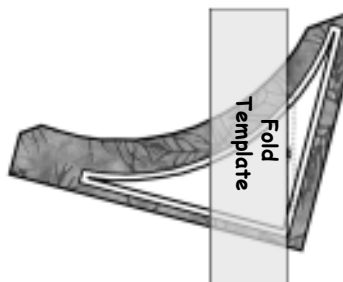

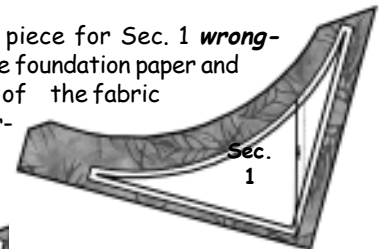

Refer to **Line 7** on the cutting chart, page 17, for the number of units needed for your quilt.

Step 1: Place the CDS unit **right-side-up** on your table and position as shown.

Step 2: Find Sec. 1 on the foundation paper. Place a small amount of fabric glue on the **wrong-side** of the paper under Sec. 1.

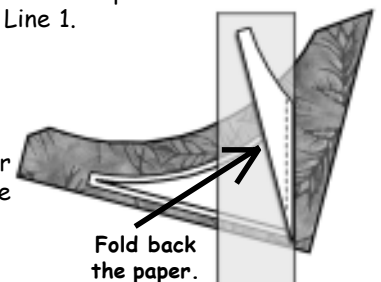

Note: When adding the glue to the paper, take one very light swipe with the glue stick. The glue is used to adhere the fabric temporarily to the foundation paper until both pieces have been sewn to the paper.

Step 3: Position the fabric piece for Sec. 1 **wrong-side-up** on your table. Lift the foundation paper and position Sec. 1 over the top of the fabric as shown. Make sure the underneath side of Sec. 1 is covered with the fabric.

Step 4: Place the fold template over the top of Sec. 1, lining up the edge of the fold template on Line 1.

Step 5: Fold the leg of the star point back over the top of the fold template.

Special Note

Note: Before you sew your blocks together, look the quilt over closely for any mistakes. If the A and B units are not positioned properly in your quilt layout the corner blocks will not match up. If something doesn't work out, start checking your blocks. You may have sewn the colors onto your corner sections wrong, or you may have twisted the position of the A and B units when sewing them into the squares. These mistakes are very easily made, but can be fixed without too much effort if you find them before you complete your quilt.
