#### Preparing for your retreat:

If this is your first retreat with Judy Niemeyer, purchase your pattern and fabrics ahead of time and try to have all of your fabric cut out. If you have any questions about this please give us a call at 406-314-4340. If you have not cut out your foundation papers you can wait till you arrive at the retreat center. Judy will show you a very fast and efficient way to cut them out in just minutes.

If you are driving to the retreat or renting a car while you are here you will be free to explore the local shops at your leisure. For everyone else we will be organizing an outing to our two favorite quilt shops!

#### Directions:

We are located in Somers, MT at 5700 Highway 93 South. This information can be typed into a GPS system or google maps and you will get directions directly to our location.

**Coming from Canada, or a northern route into Kalispell:** you will need to get to Kalispell and take Highway 93 south, out of town. We are located approximately 8 miles south of Kalispell on Highway 93. Once you get to Flathead Lake, you will turn west for approximately 1 mile, then take a large swooping corner to the south. We are the second driveway on the right side of the road (west side), directly across from Mile Marker 102. If you get to Lakeside, you've gone about 4 miles too far and need to turn around.

**If you are coming from Missoula or Spokane:** take the appropriate route to get to Highway 93. From Spokane, this involves taking the St. Regis exit, then taking a route through Plains, MT, to Highway 28, then to Highway 93. We are located at the very north end of Flathead Lake, approximately four miles

north of Lakeside, MT. We will be on your left side (west) and directly across from Highway Marker 102 as you come down a hill and into a 45 mile per hour zone. If you can't see the lake anymore, you've gone about 1 mile too far and need to turn around.
