

**Step 8:** For Section 9, shuffle the top four fabrics to the bottom, replace the template, clip together, and place back into Bag #1.

**Step 8**

**Sec. 9: Shuffle (4) and Clip**

**Step 9:** Repeat Steps 1 through 8 for each of your bags.

**Cutting Instructions for Bali Pops: Sunsets**

**Step 1:** Repeat Steps 1 through 3 of the Garden Patio instructions for Bag #1. When you have completed the initial cutting of the strips, clip the piles, without shuffling, and place them back into Bag #1.

**Step 2:** Repeat Step 1 for each of your bags.

**Cutting Instructions for Bali Pops: Quiltworx.com 48 Bali Pops Set**

**Step 1:** Beginning with Bag #1, remove all (6) strips and stack them on a cutting table.

**Step 2:** Find the templates for sections 1, 3, 5, 7, and 9 in your bag.

**Step 3:** Lay them out, end to end, on your strip stack and cut the strips at the angles designated by the templates.

**Step 4:** Clip these together with the template, and place back into your bag.

**Step 5:** Repeat the process for bags #2 through #8.

**Step 6:** The left over fabrics can be clipped together and set aside if you would like, for use in another project. The Holiday's Chevron Table Runner has (48) units and there will be a sample and a download available that will show you how to adapt the pattern to make the Holiday's Chevron using the left over pieces from this quilt after November 2013.

Reserve Excess for Chevron Pieces in the Holiday's Chevron Table Runner

**Cutting Instructions for Black Sashing Strips**

**Step 1:** A cutting graphic for the pieces to cut from your black fabric, for the 3 x 3 layout and 3x 4 layout are shown to the right.

**Step 2:** Subcut a 22-1/2" strip from your yardage, lengthwise, for both the 3 x 3 layout and the 3 x 4 layout. The length of the strip for the 3 x 4 layout will be 47" longer than the length of the 3 x 3 strip.

**Step 3:** Subcut the length into (2) 22-1/2" x 47" strips for the 3 x 3 layout or (3) 22-1/2" x 47" strips for the 3 x 4 layout.

**Step 4:** Stack the 22-1/2" x 47" strips and crosscut them as follows:

- (1) stack of 22-1/2" x 14" strips (Sec. 10)
- (1) stack of 22-1/2" x 11-1/2" strips (Sec. 8)
- (1) stack of 22-1/2" x 9-1/2" strips (Sec. 6)
- (1) stack of 22-1/2" x 7" strips (Sec. 4)
- (1) stack of 22-1/2" x 5" strips (Sec. 2)

**Step 5:** Cut each length of strips into (18) 1-1/4" strips of each size. You will need (36) of each size strip for the 3 x 3 layout (40,

if you are making 40 blocks for more variation or an accessory. If you need additional yardage for 40, there is extra fabric to individually cut the strips for the four remaining blocks.) or (48) of each size strip for the 3 x 4 layout. For the 3 x 3 layout, sort each strip size into (8) sets of (5). For the 3 x 4 layout, sort each strip size into (8) sets of (6).

**Step 6:** Clip each stack together. Label each stack by Section number as shown in the list and put one of the stacks into each of your Bags #1 through #8.

**Step 7:** Next, from the black fabric, subcut a 6" strip, the entire length of the yardage.

**Step 8:** For the 3 x 3 layout, subcut (3) 6" x 16-1/2" rectangles, then stack them and cut (4) stacks of 1-1/2" x 16-1/2" strips, for a total of (12) pieces. For the 3 x 4 layout, repeat this process, but with (4) 6" x 16-1/2" rectangles. You will need a total of (15) 1-1/2" x 16-1/2" strips when you are finished. Clip together and label them as horizontal sashing and place into Bag #9.

**Step 9:** Reserve the remaining 6" strip and black fabric to cut the vertical sashing strips and binding pieces needed later in the pattern. The Border fabric will be cut later, as well.
