

Local Attractions:

Are looking for things to do in the Flathead Valley while you are visiting us? Do you have family traveling with you that needs to be entertained while you are sewing? Here are some of our favorite local activities:

Glacier National Park:

One of the most beautiful places you will ever go! There is tons of hiking and outdoor recreation to be had in the park. There are boat tours on several of the lakes, lodge tours, Red Bus Tours, Ranger Guided Hikes, etc.

For more information check out the following websites:

White Water Rafting:

As winter recedes and the snowpack in Glacier melts it fills the rivers with mad rushing water. The peak time is late spring/early summer when the runoff is at its highest. Coming later in the year could mean your wild float is pretty mellow as the rivers will have calmed.
