## Meet your Quilting Instructor:

Andrea Schnur

As far back as Andrea can remember she has always loved sewing/quilting and the "crafty things". As a Certified Instructor for Judy Niemeyer Quilting – [www.quiltworx.com](http://www.quiltworx.com) since 2011, Andrea has found her passion in sharing the fun and useful techniques of paper piecing. Andrea lives in Maryland with her husband and two sons and loves the simplistic things in life. Her keen eye for selecting color ways for quilts has made her sought after in helping her student's color selection process. (Continued on back)

(Andrea's Bio Continued)

Andrea travels all over to meet individuals who share her passion for quilting and looks forward to contributing her information with you. You can usually see Andrea attending most of the quilting shows/events in the Mid-Atlantic Area; not only as a teacher but as an avid fan and supporter of her student's entries. Andrea usually "jumps on the ball" when a new pattern comes out, from Quiltworx... but she will also be launching her own line of paper-piecing patterns which will "inspire your passion for quilting". Andrea loves to share new and innovative techniques which has allowed her to share the newest and spectacular patterns offered by Judy Niemeyer and Quiltworx and gets them out to the consumer as quickly as possible.

Andrea is the owner of Quilt Sensations ([www.quiltsensations.com](http://www.quiltsensations.com)) which provides patterns and kits of Judy's Patterns, notions and most anything you need for paper piecing.
