■ **DOUBLE FOLDED BINDING INFORMATION**

After the quilt top has been quilted, you can add the binding. Quiltworx.com recommends a 2-1/2" strip, ironed in 1/2, lengthwise, then sewn to the front of the quilt and hand stitched down to the backside.

■ **INCREASING THE SIZE OR MAKING A SECOND SAMPLE**

If you have decided to make this quilt larger, it is recommended that you look at the layout for Option 2. In this case, you can remove the solid border and expand the layout to a simple 3 star x 3 star layout, then add the border back in to get to 100" x 100". A replacement paper package is available on the pattern page as a Related Product that includes everything in this pattern. You will also need to purchase one extra NP 347 so that there are enough papers to make up to (9) stars. To purchase the extra sheet, call Quiltworx and order the individual newsprint.
