Certified Shop: Quiltz

We got a wonderful email from Linda about a class that Certified Shop Quiltz came to teach at a quilter's guild in El Mirage, AZ...

"Quiltz came to our quilter's guild, Calico Cut Ups, in El Mirage, AZ to teach a Judy Niemeyer class. It was our first experience with a Judy Niemeyer pattern and everyone thoroughly enjoyed the class. The instructors, Jennifer Rossetti, Cindy, and Leslie were very knowledgeable, patient, and very familiar with the technique. There were only rave reviews from everyone in attendance, which totaled 25. We chose to do a table runner, Cactus Flower. Half of the ladies went to Quiltz and used their classroom before the actual class to do the prep work. I am so proud that everyone was prepared for class. We can't say enough about Quiltz. Thank you for a store with great instructors."
