Students filled out a short survey, and these are their responses to the question:

Is there something special that the Certified Instructor did that you believe goes above and beyond what you expected from the workshop that you would like to point out or commend them for?

“Excellent workshop. Thanks for explaining everything so clearly and patiently repeating. You go above and beyond in being accessible and open to questions after the workshop. Thanks for coming to Athens, we thoroughly enjoyed having you here.”

“Very good and informative. Took plenty of time explaining everything.”

“Helpful with tips and tricks. The gift was a very nice touch.”

“Very clear instructions. Very helpful when having problems.”

“Very patient and reassuring, I was a little nervous about the class.”

“Excellent class and instructor. Was not sure I’d ever do paper piecing going forward because of trouble with earlier, non-Judy Niemeyer patterns. Now not only am I anxious to finish this project, but have purchased another JN pattern and have one other JN pattern at home.”

“She made be enthusiastic about paper piecing when coming in I was not sure I’d peruse the technique. Jeannette Walton is just excellent.”

“She had extra supplies for loan. So helpful.”

“Her patience with us all. She was kind and thoughtful and knew the places in the pattern where we needed to go slow.”
