Students filled out a short survey, and these are their responses to the question:

Is there something special that the Certified Instructor did that you believe goes above and beyond what you expected from the workshop that you would like to point out or commend them for?

“Excellent job – very complimentary and patient.”

“Spending time with each student – felt very comfortable and almost like my own personal class.”

“Hands on help walking from table to table.”

“Thanks so much for helping me straighten out my fabric.”

“I enjoyed the way Jeanette floated around the classroom to ensure that each student got attention if she needed it...if not, Jeannette spent just the right amount of time visiting and getting to know her. She’s a perfectly lovely lady. Thank you!”

“I think overall it was great.”

“Everything was really great. I really appreciate her patience.”

“Thank you for the special attention on curved seams and stacked seams. You gave me such confidence!”
