Instructor: Anne Hall

“I wanted to drop you a note to firstly let you know how beautiful and well thought out your quilts are and also to let you know what an amazing teacher you have in Anne Hall. I attended a retreat this weekend that she was teaching the Summer Solstice. I am fairly new to quilting and ran into every problem in the book. She patiently explained and help me fix all of my mistakes. Her teaching was amazing and in the end I was well on my way to a gorgeous creation. She made it enjoyable and I learned so much. I am looking forward to many additional classes.”
