Instructor: Maureen Wood

“I live in Abbotsford B.C. I love paper piecing and am specifically in love with your patterns. I have made Drunkard’s Wave, Celtic Wave, Crown of Thorns, July 5th, all in queen size and Wedding Ring Bed Runner all for grandkids weddings.

Recently I decided to do Prismatic Star. So while watching the Oscars, visiting with friends I started sewing and made a mistake cutting. I called Maureen Wood and she was unbelievably helpful! many emails were exchanged and she even offered me one of her pieces to fix the problem-amazing support!! I highly commend her! She even offered to drive to my house and bring the piece to fix it but she is mailing it. I will be going to all her classes, conferences and recommending her to all my friends. Maureen Wood is a teacher that deserves the highest honor!”
