Instructor: Shahena Fredericks of CS Cozy Quilts

Hi there, I hope I am contacting the right people. I have just finished my second quilting retreat learning from Shahena Fredericks of Cozy Quilts of Port Hope Ontario Canada. Last year I made a Prismatic Star and this past week 4 days for me and 4 others The Glacier Star, and for 5 other ladies The

Bali Bed Runner. I just wanted to let you know how wonderful the experience has been.

Shahena is an amazingly patient, calm and oh so knowledgeable teacher, passing on tips and techniques in such a way that one cannot help learning and enjoying at the same time Shahena has a passion for teaching and passing on her knowledge and love of your patterns and fabric, color. I just got home tonight and am already looking forward to the next time. I guess I have a lot of work to do first. I love your patterns designs and I thank you for sharing and also for our wonderful teacher. Anybody is lucky who gets a chance to learn from Shahena. I thought you would also like to know that people travelled long distances to be here. The class took place at Nav Can in Cornwall Ont we had people from London Ontario, Hamilton, Windsor Ont.

Woodstock, Toronto. Almonte, and 2 of us from Ottawa. Out of

the 10 participating there were 5 of us from her getaway course last fall. I find that an amazing number. Another of the participants from last fall would have been there but she just had open heart surgery. What a tribute to an amazing educator.
