# Prickly Pear

NOTE: We recommend you use one color for Border #1, #3, and the solid squares to conserve yardage. If you choose to use two different fabrics for Borders 1 and 3 (as shown in the sample), you will need 2 yds of each fabric to prevent having to piece the border. If you choose to vary the fabrics used for the solid squares, an additional ¼ yd of three of the Center Spike and Geese Background fabrics will be necessary, which results in a more scrappy look!

# Southern Comfort

GEESE MIGRATIONS BOOK PATTERN

Hoffman  
CALIFORNIA INTERNATIONAL FABRICS

42-1/2" Square

**Color #1**

Main Background: 1-5/8 yard

**Color #2**

Unit M Background: 3/8 yard

**Color #3**

Center Spike Accent and Border  
Triangles: 1-1/8 yard (which includes  
enough fabric for the Binding)

**Color #4**

Mini Star Background, Accent, and  
Center Spike Accent: 7/8 yard

**Color #5**

Center Spike Accent: 1/4 yard

**Color #6, Color #7, and Color #8**

Geese Accents: 1/8 of a yard each

**Color #9**

Mini Star Background and  
Accent: 1/2 yard

**NOTE:** The Color numbers for this small pattern follow the larger pattern in the quilt, except for the color approach to the Mini Stars. In this case, the Mini Star background and accent pieces are cut from the same fabrics. We added a Color #9 to the list. Cut (3) 2-1/2" strips to be used with the SSR-2 Layout Sheet (cut (3) parallelograms the shape of the TLS) and (1) 7" strip to be used with the Template SS1 Layout Sheet (Cut 3 7" x 13-1/2" rectangles). With the smaller quilt, you will need to calculate the number of Template Layout Sheets to cut to complete each block by using the information in the Getting to Know your Units Chapter of the Geese Migrations Book. The yardage above will accommodate the number of pieces you need.
