

“THE PAPER CHASE QUILTING RETREAT”

Judy Niemeyer Paper Piecing Patterns

This is a Pick-A-Pattern Retreat. You may pick which Quiltworx pattern you would like to work with, within the skill level you feel you fit best. You will need to let Eileen or Connie know which pattern you want to use so the Tool & Supply List and Pre-Class Instructions can be loaded onto Eileen or Connie’s Certified Instructor page on the Quiltworx website.

Eileen and Connie are very comfortable working with students at different skill levels, and on different patterns, but you need to be realistic as to which skill level you are going to work with. If you are not sure, or if you want to work on a pattern that is not on any of the lists, please give Eileen or Connie a call. And discuss your choice so that you can make the best use of this class time. ***(Please contact your local quilt shop for patterns & fabric.)***
