Instructor: Carol Jaynes

“I just wanted to tell you what a wonderful instructor Carol Ann Jaynes is. I have made over six Judy Niemeyer quilts over the past five years and had the pleasure of attending several Judy Niemeyer classes along with your Kalispell retreat in 2011. Carol Ann was at People, Places & Quilts in Summerville, SC. She was teaching your beginning class and let me work on Prismatic Star since I would not be in town next week to attend that class. I'm going on a bit because, I have made your quilt and was taught by the best, Judy. Carol Ann is a great instructor and I learned a lot again from her. She is a keeper in your organization.”
