NOTE - *: While several cover quilts were made with two different background fabrics for Unit C, none of the Cover Quilts except the Rainbow were made with two different colorways for the geese because it would require double the yardage. Yardage for the Rainbow is not provided in the Queen pattern as it was a Wall Quilt sample. If you choose to get more creative with the geese, just be aware you may need more yardage. The table above, and Quiltster will help you calculate what you need. You could get more creative looks by making all the geese in one strip the same color. See Booklet 4 for more information on this. A block option is provided in Quiltster to explore that color concept with appropriate yardage.
