“Dear Jane,

I must tell you what a wonderful fun time I had at the VQ workshop last week. Thank you!

And thank you as well for the great and very helpful tip for making the other 3 place mats. What a time saver... especially for the next set of four that I plan on making.

I completed the other 3 Unit B pieces and half way done with the 3 Unit A pieces. So far, I have no issues or questions, but if I do... I will surely contact you.

See you in December at the VQ holiday meeting.

Warm regards,

Cheryl”
