► Preparing the Foundation Papers:

Foundation Papers: This booklet includes enough foundation papers to complete (1) 62" diameter center for the Sunrise Mixer. The foundation papers and templates for this pattern are printed on newsprint. Newsprint is lightweight and tears away from your stitches without damaging the threads. Please pull apart this package and check, at this time, to make sure your pattern includes all of the newsprint listed below.

Step 1: Cut out (2) of each SS Foundation Sheet [NP 485], (8) of each Unit A1, A2, A3, A4, and A5 [NP 486], and (1) of each Template, T-Template, SS Template, and Template Layout Sheet on [TP 299 and TP 300]. See the newsprint graphics to the right for information on how to organize your units and templates into bags. *Refer back to General Information Booklet for Foundation papers and templates for additional instructions on how to prepare your foundation papers and templates.

NOTE - Interior Foundation Paper Cut Lines on the Foundation Sheets: Each foundation sheet includes (4) rows of diamonds. The rows are not cut apart until after the paper piecing is completed.
