NOTE - Unit Charts:
The Unit Charts on the inside of this pattern give you inches, but the inches match the Yardage listed above, and not the true inches you need to cut. The inches shown to the left are the inches you should cut for each fabric. Then, these will be subcut into strips as part of the instructions for each group. Cut your inches from THESE tables shown here or you will not have enough fabric of Ice, Black, or Leather.

► Unit Charts Can be Found on the Page Identified
