## Vintage Compass Quiltster Fabric Reference Translation Handout

The Vintage Compass Pattern is available in Quiltster, however if Fabric references don't match your pattern, you are working with an older publication. Do not worry! It still works for your design! Simply use this handout to translate the fabric references in your colored quilt to this pattern. Use the Color Layout Information on Page 15 (and the color layout for the strip pieced borders on Pages 11 & 12) as references if needed. Quiltster Fabric Reference numbers are shown to the left, in PINK!
