## SORTING, STACKING, AND FOUNDATION PAPER PIECING UNITS F1, F2, F3, & F4, BAGS #F1 TO #F4

The F1, F2, F3, and F4 foundation papers are paper pieced identically to each other. Each Unit simply has a slightly varying shape and number of pieces to match the space where it will be sewn into the quilt top. Graphics for Unit F1 are shown below. The paper piecing graphics for the remaining Units are not shown. When you have completed Bag #F1, move through the rest, by Bag # to complete all of the border pieces.

**Sorting and Stacking:** Sort and stack the pieces facing *right-side-up* for each bag, in numerical order starting with the largest numbered section on the bottom, ending with Sec. 1 on the top.

**NOTE - Tracing the Dashed Lines: Optional!**

**Step 1:** Place Unit F1 *right-side-up* on your table.

**Step 2:** Place a small amount of fabric glue on the *backside* of the paper under Sec. 1. Position the first piece of fabric for Sec. 1 *wrong-side-up* on your table. Lift the foundation paper, slide the fabric under Sec. 1 and glue the fabric to the backside of the paper.

**Step 3:** Place the fold template over the top of Sec. 1 lining the edge up on the solid back line marked Line 1. Fold the paper back over the top of the fold template.
