► Fabric B1

Step 1: Cut **(2)** **2-1/2"** x 42" strips from Fabric B1. Use T-Template 2 and cross cut **(20)** 2-1/2" squares. One strip yields 16 pieces Place these pieces into Bag #B1. If you are making a larger quilt, adjust your cutting for the size you are making.

► Fabric B2

Step 2: Cut **(2)** 21" x 42" strips from Fabric B2, open and stack the strips facing **right-side-up**. Position the **Sashing T-Template Layout Sheets** on the top of your stack and cut **(8)** pieces large enough to fit under each layout sheet. If you are making a larger quilt adjust your cutting for the size you are making.

Step 3: The fabric is cut between each layout sheet.

Sewing the Registration Lines

Step 4: One T-Template Layout Sheets is pinned onto the **right-side** of each fabric piece cut for each template. Pinning the fabric and layout sheets will make it a little easier to work with. Sew the four registration lines on each T-Template.

Step 5: After the registration lines are sewn, remove the pins and cut the strips on Cut Lines 1-3. Trim the ends on each strip to fit the paper. The paper is not removed until you are ready to Assemble your quilt. At this time, the pieces are placed into Bag #B1.
