

JNQ00242C006 Mixer Pattern

Wall or Queen 68" Mixer Border Pattern

BARBED WIRE FENCE BORDER INSTRUCTIONS

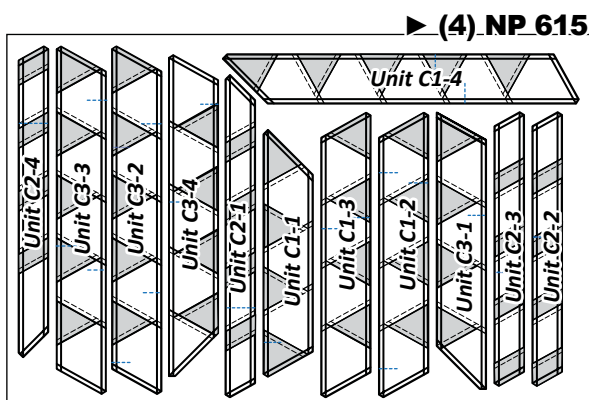

Ziploc Storage Bags: You will need (3) Bags to complete the organization for these instructions. Label the Bags as follows to stay organized while cutting the Foundation Units and Templates.

- Bag #C1: Units C1-1 to C1-4 and all associated cutting templates
- Bag #C2: Units C2-1 to C2-4 and all associated cutting templates
- Bag #C3: Units C3-1 to C3-4 and associated cutting templates

► Preparing the Foundation Papers:

Foundation Papers: This booklet includes enough foundation papers and templates to complete (4) 5-3/4" by 68" pieced border strips. The foundation papers are printed on newsprint. Newsprint is lightweight and tears away from your stitches without damaging the threads. Please pull apart this package and check, at this time, to make sure your pattern includes all of the newsprint listed below.

Step 1: The Foundation Units are cut out of [NP 615] and sorted. At this time, all the and Template Layout Sheets (TLS) are placed in Bag C1. [TP 395] The left and right templates are separated after the fabric is cut. See the newsprint graphics that follow for information on how to organize your units and templates into bags. *Refer back to General Information for Foundation papers and templates for additional instructions on how to prepare your foundation papers and templates.

► Color Layout (Backside View)

► (2) TP 423

► Barbed Wire Fence Border Fabric Information:

The table that follows includes yardage, fabric numbers, and a reference to which fabrics go with each TLS to complete the Group C Border Units. This table is your guide for not only selecting your own colors, but keeping you organized. Don't forget to cut a swatch of your chosen fabric to paste in the box in the Assigned Colors column! A backside color layout is included below to provide you with a visual graphic of where each fabric goes in your border.

Units C1 through C4 Yardage, Make (4) Border Groups		
GROUP-C FABRIC #	YARDAGE INCH	ASSIGNED COLOR
Fabric C1 Units C1-1 to C1-4, (TLS) #1	1 yd or (32")	Fabric Swatch
Fabric C2 Units C1-1 to C1-4, (TLS) #2 & Temps C1-1 & C1-4	1/2 yd or (15")	Fabric Swatch
Fabric C3 Units C3-1 to C3-4, (TLS) #3 & #4	1 yd or (32")	Fabric Swatch
Fabric C4: Units C3-1 to C3-4, (TLS) #5	1/2 yd or (15")	Fabric Swatch
Fabric C5: Units C2-1 to C2-4, (TLS) #6 & #7	5/8 yd or (20")	Fabric Swatch
Fabric C6: Units C2-1 to C2-4 (TLS) #8	3/8 yd or (10")	Fabric Swatch

CUTTING INSTRUCTIONS

► Fabric C1:

Step 1: Cut and stack (8) 4" by 42" strips facing *right-side up*.

Step 2: Two (2) *Unit C1-1 Thru C1-4 Template C1-2 Layout Sheet #1* are placed onto the strips as shown. Cut (2) stacks of (8) pieces, matching the size and shape of each Template Layout Sheet.

Step 3: With (8) fabric pieces under each (TLS), paper clips are used to clip each section to the fabric. This keeps the template pieces from moving in the cutting process. The cutting is completed by slicing through the paper on each cut line to separate the individual sections.

Step 4: Place the individual template pieces with the fabrics clipped beneath into Bag #C1.

► Fabric C2:

Step 1: Cut and stack (4) 3-3/4" by 42" strips facing *right-side up*.

Step 2: One (1) *Unit C1-1 Thru C1-4 Template C1-3 Layout Sheet #2*, the *Unit C1-1 Template C1-1*, and the *Unit C1-4 Template C1-4* are placed onto the strips as shown. Cut (12) pieces, matching the size and shape of TLS #2 (reposition this TLS for each cut), and (4) pieces matching Templates C1-1 and C1-4.

Step 3: Restack the (12) fabric pieces into (1) stack under TLS #2. Leave the Temp C1-1 and C1-4 stacks as they are. Use paper clips to clip each section to the fabric, keeping the template pieces from moving while cutting. For the TLS #2 stack, slice through the paper and fabrics beneath on each cut line to separate the individual sections and on the C1-1 and C1-4 Templates, cut around the edges.

Step 4: Place the individual template pieces with the fabrics clipped beneath into Bag #C1.

► Fabric C3:

Step 1: Cut and stack (8) 4" by 42" strips facing *right-side up* into (2) stacks of (4).

Step 2: One (1) *Unit C3-1 Thru C3-4 Template C3-3 Layout Sheet #3* is placed onto (1) stack of strips. Cut around it, then reposition it into the 2nd position to cut (8) pieces to size of the TLS. Then, reposition that same TLS #3 again onto the 2nd strip stack. The *Unit C3-1 and C3-4 TLS #4* is placed next to TLS #3 on the second stack. Cut the second strip stack apart using the TLSs as a guide, yielding (4) pieces of each.

Step 3: Retack (12) fabric pieces under TLS #3 and leave the (4) pieces cut with TLS #4 under TLS #4. Clip each section to the fabric with paper clips to keep the template pieces from moving in the cutting process. Slice through the paper and fabrics beneath on each cut line to separate the individual sections.

Step 4: Place the individual template pieces with the fabrics clipped beneath into Bag #C3.

► Fabric C4:

Step 1: Cut and stack (4) 3-3/4" by 42" strips facing *right-side up*.

Step 2: Use (1) *Unit C3-1 Thru C3-4 Template C3-2 Layout Sheet #5* to cut (12) pieces, matching the size and shape of TLS #5.

Step 3: Restack the (12) fabric pieces into (1) stack of (12) under (TLS #5). Paper clips are used to clip each section to the fabric. This keeps the template pieces from moving in the cutting process. The cutting is completed by slicing through the paper and fabrics beneath on each cut line to separate the individual sections.

Step 4: Place the individual template pieces with the fabrics clipped beneath into Bag #C3.
