## ► Preparing the Foundation Papers:

Cut out (8) of each Unit AJ1, AJ2, & AJ3 on [NP 629] and (1) each of the Templates, Template Layout Sheets and T-Templates on [TP 401]. Place the Foundation Papers and Templates into their assigned Bag #. See the following newsprint graphics for the corresponding bag information.

\*Refer back to General Information for Foundation papers and templates for additional instructions on how to prepare your foundation papers and templates.

### ► (2) NP 629

### ► (1) TP 401

## ► Fabric Reference Information

We have named all of the matching diamonds with an identifier like AA to AZ so if you put more than one block in a quilt, it will be easier to keep them organized. This is the AJ block.

## ► Fabric Information:

The table in the next column includes yardage, fabric numbers, and a reference to which fabrics go with the templates (and TLS) to complete Units AJ1, AJ2, and AJ3. This table is your guide for not only selecting your own colors, but keeping you organized. The color layout to the right shows you where each fabric goes in the unit (from

the backside). A frontside view is shown on the last page. It shows the backside of the papers so it is easy to see how to mark your papers with fabric swatches. Also, don't forget to cut a swatch of your chosen fabric to paste in the box in the Assigned Colors column in the table!
