TP 470 CORRECTION

Step 1: Units GL and GR TLS #2 and TLS #1 on TP 470 say to cut your strips to 14-1/2" x 42". They should say 15-1/2" x 42". The pattern is correct, Quiltster is correct, but the Newsprint is wrong. It will be fixed in Future printings. In the meantime, please edit your Templates.
