

# BASKET DIAMOND INSTRUCTIONS

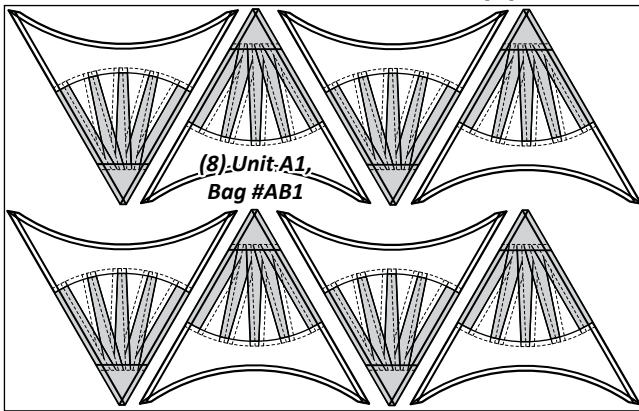

**NOTE - Ziploc Storage Bags:** You will need (2) bags to complete the organization for these instructions. Label the bags (#A1 to #A2) to stay organized while cutting the Foundation Units and Templates.

- Bag #AB1: (8) Unit A Papers and Cutting Templates
- Bag #AB2: Applique pieces, Background Template

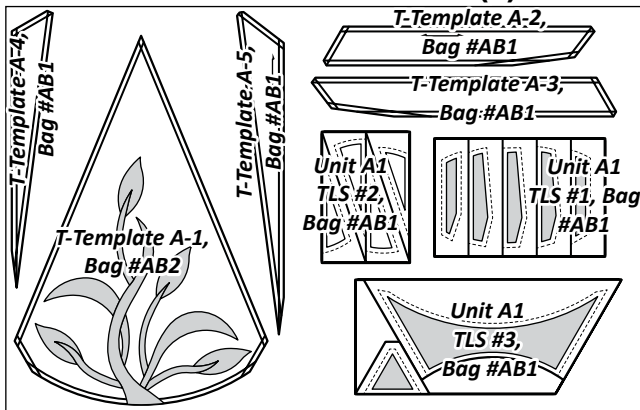

## ► Preparing the Foundation Papers:

**Step 1:** Cut out (8) each of the Foundation Papers for Unit A1 [NP 678], along with (1) each of the Templates and Template Layout Sheets on [TP 496]. Cut T-Template A-1 from TP 496, then place that and all of the applique Stitch-N-Peel pieces into Bag #A2. See the following newsprint graphics for the corresponding bag information for each of your units and templates. Make sure you are working with the Group AB Bags that you pre-labeled for this pattern. \*Refer back to General Information for Foundation papers and templates for additional instructions on how to prepare your foundation papers and templates.
