

Fabrics A1:c-A10:c: The strips are pressed and stacked facing *right-side-up* starting with Fabric A10:c on the bottom ending with Fabric A1:c on the top.

Measure the strips from end to end, then cut (1) stack measuring 2-1/2" by 23". Place this stack in Bag #A-C and clip to **Foundation Layout Sheet 2**. The second stack should measure 2-1/2" by 19". Place this stack in Bag #A-C and clip to **Foundation Layout Sheet 4**.

Fabrics A1:d-A10:d: The strips are pressed and stacked facing *right-side-up* starting with Fabric A10:d on the bottom ending with Fabric A1:d on the top.

Measure the strips from end to end, then cut (1) stack measuring 2-1/2" by 23". Place this stack in Bag #A-C and clip to **Foundation Layout Sheet 1**. The second stack should measure 2-1/2" by 19". Place in Bag #A-C and clip to **Foundation Layout Sheet 3**.

► **Fabrics S1:a through S1:d: (TLS #1)**

Step 1: Cut (2) 2-1/2" by 42" strips from each Fabric S1:a, S1:b, S1:c, & S1:d. Stack the (8) strips facing *right-side-up* into one stack. Place the **Unit A1-1, A1-2, A2-1 & A2-2, Template Layout Sheet 1** onto the strips as shown.

Step 2: Cut (3) pieces, matching the size and shape of the Template Layout Sheet, from each Fabric S1:a through S1:d.

Step 3: Stack (6) pieces under each TLS, (3) from each color.

Step 4: A paper clip is used to clip each section to the fabric to keep the template pieces from moving in the cutting process. The cutting is completed by slicing through the paper and fabric on each cut line to separate the individual sections. You should end up with (6) template pieces from each fabric

Step 5: Separate the pieces for each color group. Then place the (6) cut for each color group into their assigned bags shown.

► **Fabrics S2:a & S2:c: (TLS #2)**

Step 1: Cut (1) 2-1/4" by 42" strip from each Fabric S2:a and S2:c. Stack both strips facing *right-side-up* into one stack. *Note for the quilt on the cover we used the same fabric.*

Step 2: The **Units A4-1 & A4-2, Template Layout Sheet #2** is placed onto the strips as shown. Cut (3) pieces from each color, matching the size and shape of the (TLS).

Step 3: Slice through the paper and fabric on the cut line to separate the individual sections. Then place each color group into their assigned bags.

► **Fabrics S3:b & S3:d: (TLS #3)**

Step 1: Cut (1) 2-1/4" by 42" strip from each Fabric S3:b and S3:d. Stack both strips facing *right-side-up* into one stack. *Note for the quilt on the cover we only used one color.*

Step 2: The **Units A3-1 & A3-2, Template Layout Sheet #3** is placed onto the strips as shown. Cut (3) pieces from each color, matching the size and shape of the (TLS).

Step 3: Slice through the paper and fabric on the cut line to separate the individual sections. Separate the pieces for each color group. Then place each color group into their assigned bags

► **Fabric AP1: Applique Circle**

Step 1: Cut (1) 7" square from Fabric AP1. Clip this piece to the Applique Sheet and the LP 40 Assembly Instructions in the original pattern bag. *Applique Instructions are found on Page 17.
