

**Ring Color Sets** sections that follows and continue with Choosing fabrics for the Corner Accent squares.

**Making Your Own Strips:** If you are creating your own strip set or need to sort various strips from some pre-cut packages that have not been sorted already, please follow the instructions below.

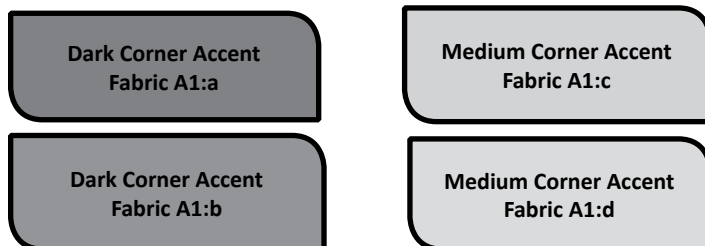

**Ring Color Sets:** Quiltworx has created its Arc unit to require (8) fabrics for each arc unit ranging in value from light to dark. We refer to these fabric strips as a **Ring Color Set**. You have options in how you plan this design. The minimum number of fabrics required to complete your rings is (8). If you choose to create a wider range of ring color sets, multiples of (8) colors are selected. The Swatch Boxes on Page 2 have been provided to help you prepare your Ring Color Sets if you have chosen to make your own. Note that if you only choose (8) fabrics, only fill in Ring Color Set #1 and cut the number of strips noted in Line 2 of the Tables on Page 2. If you choose (16) fabrics, fill out Ring Color Set #1 and #2, and cut the number of strips noted in Line 2 from each of the fabrics chosen. (24) fabrics can be used as well. If you want more fabrics than that, it is recommended that you cut from (48) different fabrics. A small swatch of each fabric can be cut out and placed into the Swatch Box to keep you organized.

**Number of Ring Color Sets Needed:** If you are making one of the larger quilts, additional ring color sets will need to be added. Reference (LINE 7) in the Cutting Chart below for the number of Ring Sets recommended for each of the larger sizes.

**How Many Units Can I Make from Each Ring Color Set?:** Each strip set is designed to yield (8) each of the Unit A and Unit B

foundation papers. However, in some cases you need to squeeze on another unit. The 87" by 100" layout requires a total of (49) finished A and B Units. So this quilt is an exception to our formula. You will need to set aside (9) Unit A and Unit B foundation papers with one of the strip sets. The remaining strip sets are built with (8) Unit A and Unit B foundation papers. This information is helpful if you choose to make a Wedding Ring quilt in a different size than is shown on your cover quilt.

► **Choosing Fabrics for Corner Accent Squares**

**NOTE - How Do I Pair my Corner Fabrics to Each Other:** A1:a and A1:c are used for the corner squares that are in the center of the star. A1:b and A1:d make up the corner squares that are not surrounded by a star.

**Corner Square Fabrics:** You should have selected (4) colors for the Corner Squares. Typically, these are selected as (2) dark and (2) medium fabrics but feel free to choose colors that make the most sense for your quilt. Swatch boxes to place your fabrics in are included above.
