

## FABRIC INFORMATION

To complete this project, you will need to choose **(4)** light fabrics, **(4)** medium light fabrics, and **(8)** dark fabrics (the cover quilt repeats **(4)** dark fabrics, but you can use **(8)** different fabrics if you like) blending color and value in each of the chosen Fabric Groups. The fabrics are then divided into **(2)** Color Groups referenced as Group-A & Group-B. We have assigned **(1)** Fabric Chart to each Color Group. Cut a small swatch of fabric from each fabric you select, and assign the fabrics to the Fabric #s listed in the Yardage Table Swatch Boxes below. This will help keep your Fabric #s and Fabric Colors organized as you sort, and stack your fabrics for the Cutting Instructions.

**NOTE - Cover Quilt :** To achieve the color layout on the cover with the two opposing colors in each Four Block Layout, **(1)** each of the **Unit LC Template Layout Sheet** labeled **(Light Fabric)** is used with the **(4)** light fabrics in Color Group-A, labeled C1-C4, and the **(4)** dark fabrics in Color Group-B labeled C1-C4. The same follows for the **Unit LC, (TLS)** labeled **(Dark Fabric)**. One is used with the **(4)** dark fabrics in Color Group-A, labeled C5-C8, and the other is used with the **(4)** medium-light fabrics in Color Group-B, labeled C5-C8. To ensure your fabrics are sorted properly, follow the sorting and cutting instructions on the following page. They are correct!

**Color Group-A, Fabric Chart:** Fabrics C1-C4 are the light fabrics. Fabrics C5-C8 are the dark fabrics.

**Color Group-B, Fabric Chart:** Fabrics C1-C4 are the dark fabrics. Fabrics C5-C8 are the medium-light fabrics.
