► **Fabric Information: Group AA,**

Fabric #s S1a-S8a and S1b-S8b: The diamond blocks in this quilt are pieced together using (98) 2-1/2" by 42" strips from a combination of dark, light, and a color wash of fabrics broken down as follows:

- **Dark Accent Fabric: (30)** strips
- **Light Accent Fabric: (18)** strips
- **Quiltworx Strip Set:** These (48) strips are pre-cut, pre-sorted, and pre-packaged, from our own fabric collections designed with Timeless Treasures. If you mix up the strips on accident, the Wine is Group 1, Tangerine is Group 2, Grape is Group 3, Eggplant is Group 4, Malibu is Group 5, and Emerald is Group 6.

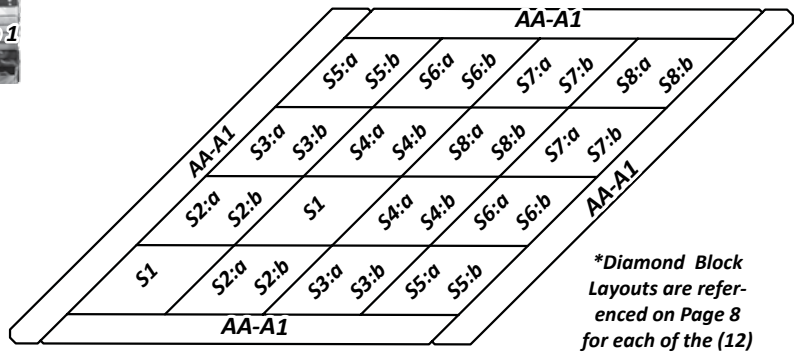

Fabric A-1 Sashing: These strips are cut from the same dark accent used for the Diamond Blocks.

Fabric #s: The yardage chart includes (16) Fabric #s, yardage, and cut strip (#s) needed for each fabric. The color layout to the right shows you where each fabric goes in the unit. Additional Color layouts are provide on Page 8 for each of the different Color Groups. If you are choosing your own colors you may want to audition your colors by pasting swatches onto the Diamond Block Layouts provided on Page 8. This process will give you a visual image of each color group prior to sewing them onto the Foundation Sheets. A fabric swatch of your chosen fabrics pasted into the box in the Assigned Colors column in the table will help you keep organized! These Fabric #s will be referenced through out your instructions so it's a good idea to be familiar with them, understanding where they are used.
