

Stella Maris Round One, JNQ00268-J-001

32" Star

CRYSTAL STAR INSTRUCTIONS

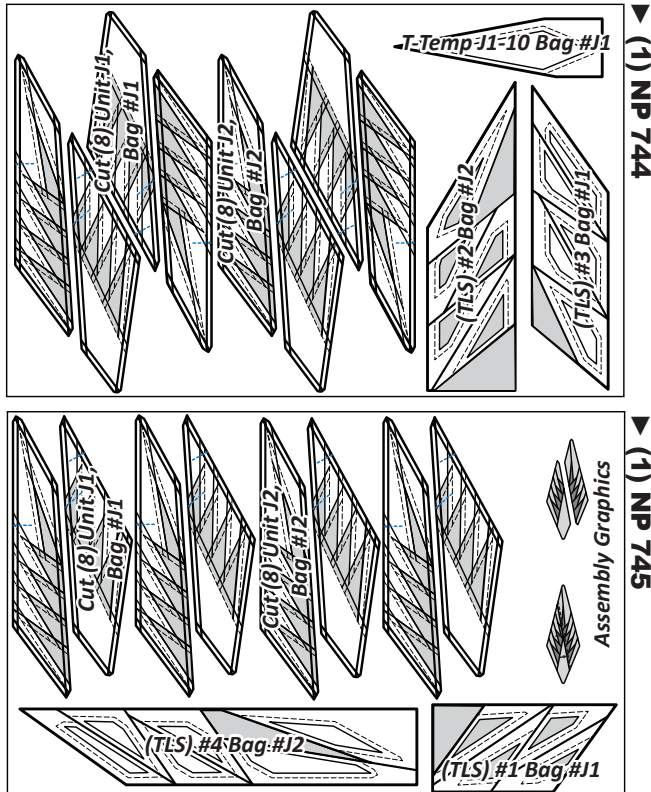

Ziploc Storage Bags: You will need (2) bags to complete the organization for these instructions. Label the bags as follows to stay organized while cutting the Foundation Units and Templates.

- Bag #J1: (8) Unit J1 Papers, and Cutting Templates
- Bag #J2: (8) Unit J2 Papers and Cutting Templates

► Preparing Foundation Papers & Templates:

Foundation Papers: This booklet includes enough foundation papers to complete (8) Star Points. The foundation papers and templates for this pattern are printed on newsprint. Newsprint is lightweight and tears away from your stitches without damaging the threads. Please pull apart this package and check, at this time, to make sure your pattern includes all the newsprint listed below.

News Print: Cut out (8) ea. Unit J1 & Unit J2, [NP 744 & 745]. The Templates and Template Layout Sheets (TLS) are placed in a temporary bag. After the fabric has been cut the individual Sec. Temp's and (TLS) are placed into their assigned bags with their associated foundation papers. See the newsprint graphics that follow sorting the units and templates into bags. *Refer back to General Information for Foundation papers and templates for additional instructions on how to prepare your foundation papers and templates.

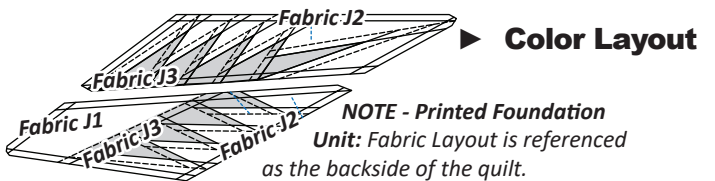

NOTE - *Templates and (TLS) may need to be repositioned on the cut strips to achieve the number of cuts required in the cutting Instructions. Please read carefully to ensure the correct # of pieces are stacked beneath each Template before cutting.

► Crystal Star Fabric Information:

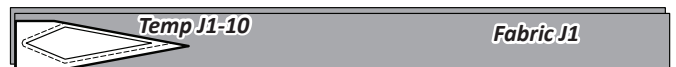

The *Unit Chart* that follows includes yardage, fabric numbers, and a reference to the fabrics that go with the Templates and (TLS) to complete **Units J1 & J2**. A color layout, shown below, gives a visual reference to the location of each Fabric Color.

Units J1, J2 Yardage, Make (8) ea.		
GROUP-J-001 FABRIC #	YARDAGE INCH	ASSIGNED COLOR
Fabric J1 Unit J1 Temp J1-10	1/4 yd or (7")	Fabric Swatch
Fabric J2 Unit J1 & J2 (TLS) #3 & #4	1 yd or (34")	Fabric Swatch
Fabric J3 Unit J1 & J2 (TLS) #1 & #2	5/8 yd or (20")	Fabric Swatch

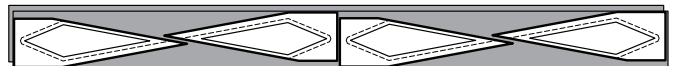

► Fabric J1: (Temp J1-10)

Step 1: Cut (2) 3-1/2" by 42" strips from *Fabric J1*, and place facing **right-side-up** on your cutting table.

NOTE - Repositionable glue placed on the backside of each template will keep the templates and (TLS) from moving in the cutting process. After each cut, simply reposition the template to the next location.

Step 2: *Unit J1, Template J1-10* is used to cut (8) pieces. Reposition the template as needed for each cut. Place these pieces in Bag #J1.

► Fabric J2: (TLS) #3 & 4

Step 1: Cut and stack (8) 4-1/4" by 42" strips from *Fabric J2* onto your cutting table facing **right-side-up**.

Step 2: *Unit J1 (TLS #3)* is placed onto the strips aligned with the right edge. *Unit J1 (TLS #4)* is placed onto the strips aligned with the left edge. Cut (8) pieces, matching the size and shape of each (TLS).
