

Step 2: Position the (2) **Unit F3 & F4 (TLS #8)** onto your strips and reposition each paper as needed to cut (20) pieces matching the size and shape of the (TLS), (4) pieces from each Fabric #.

Step 3: Stack (10) fabric pieces under each (TLS #8) paper. Cut the templates on each Cut Line in numerical order to separate the individual pieces.

Step 4: Sort Temp. F-1 fabric pieces by fabric # and clip a paper template to the fabric beneath. You should have (5) stacks of (16) pieces of the same fabric in each. Stack the section templates in reverse alphabetical order so Fabric F3:e is on the bottom and Fabric F3:a is on the top. Place in Bag #F2.

► **Fabric F4: (TLS) #9 & #10**

NOTE - If you precut your fabric strips using the Quiltster APP, you will need to sub-cut each 8-1/4" strip into (1) 4-3/4" strip and (1) 3-1/2" strip to achieve the number of strips listed in Step 1.

Step 1: Cut (4) 4-3/4" by 42" strips and (4) 3-1/2" by 42" strips from Fabric F4.

Step 2: Stack the 4-3/4" by 42" strips facing *right-side-up*. Position **Units F3 & F4, (TLS #9)** on the left-hand end of the strips and cut (4) pieces matching the size and shape of the TLS. Rotate the template and reposition on the right-hand end of the strip to cut (4) more pieces matching the size and shape of the TLS.

Step 3: Cut the templates on each Cut Line in numerical order to separate the individual pieces. Clip the templates to the fabric beneath and place in Bag #F2.

Step 4: Stack the 3-1/2" by 42" strips facing *right-side-up*. Position **Units F3 & F4, (TLS #10)** on the left-hand end of the strips and cut (4) pieces matching the size and shape of the TLS. Rotate the template and reposition on the right-hand end of the strip to cut (4) more pieces matching the size and shape of the TLS.

Step 5: Cut the templates on each Cut Line in numerical order to separate the individual pieces. Clip the templates to the fabric

beneath and place in Bag #F2.

► **Fabric F5: (TLS) #11 & #12**

Step 1: Cut (4) 10" by 42" strips from Fabric F5. Stack the strips facing *right-side-up*. Position both **Unit F1, F6 & F8 (TLS #11)** and **Unit F2, F5 & F7 (TLS #12)** onto your strips and cut (4) pieces matching the size of each template.

Step 2: The cutting is completed by slicing through the paper and fabric on each Cut Line. Place **Temp F1-3 and Temp F2-3** into Bag #F1. Place **Temp F6-4, Temp F8-1, Temp F5-1 and Temp F7-4** into Bag #F3.

► **Fabric F6: (TLS) #13**

Step 1: Cut (4) 3" by 42" strips from Fabric F6. Stack the strips facing *right-side-up*. Position the **Units F5, F6, F7, F8 (TLS #13)** onto your strips and cut (4) rectangles matching the size of the template.

Step 2: The cutting is completed by slicing through the paper and fabric on each Cut Line. Clip each paper to the fabric pieces below and place into Bag #F3.

► **Fabric F7: (TLS) #14 & #15**

Step 1: Cut (4) 5" by 42" strips from Fabric F7. Stack the strips facing *right-side-up*. Position both **Unit F5 & F8 (TLS #14)** and **Unit F6 & F7 (TLS #15)** onto your strips and cut (4) pieces matching the size of each template.

Step 2: The cutting is completed by slicing through the paper and fabric on each Cut Line. Clip each paper to the fabric pieces below and place into Bag #F3.
