

► (1) TP 593

carefully to ensure the correct # of pieces are stacked beneath each template before cutting.

**NOTE** - Repositionable glue placed on the backside of each template will keep the templates and (TLS) from moving during the cutting process.

► Fabric L1, L3, L5, L7, (TLS) #2 & #3

**Step 1:** Cut (1) 2-1/2" by 42" strip from each Fabric L1, L3, L5, & L7. Stack the strips facing **right-side up** on your cutting table in descending order. Fabric L7 on the bottom, Fabric L1 on the top.

**Step 2:** Units L1L, L2L, L3L, L4L (TLS) #2 and Units L1R, L2R, L3R, L4R (TLS) #3 are used to cut (3) left and (2) right pieces from each fabric.

**Step 3:** Place the left pieces in Bag #L1, right pieces in Bag #L2.

► Fabric L2, L4, L6, L8, (TLS) #1 & #4

**Step 1:** Cut (1) 2-1/2" by 42" strip from each Fabric L2, L4, L6, & L8. Stack the strips facing **right-side up** on your cutting table in descending order starting with Fabric L8 on the bottom, finishing with Fabric L2 on the top.

**Step 2:** Units L1R, L2R, L3R, L4R (TLS) #1 & Units L1L, L2L, L3L, L4L (TLS) #4 are used to cut (3) right and (2) left pieces from each fabric.

**Step 3:** Place the left pieces in Bag #L1, right pieces in Bag #L2.

► Fabric L9, (TLS) #9, #10, (T-TLS) #7 & #8,

**NOTE** - Quiltster: If you precut your fabric strips using the Quiltster APP, you will need to subcut the 13-1/2" strip into (1) 3-1/2" strip and (4) 2-1/2" strips to achieve the number of strips listed in Step 1 and Step 3.

**Step 1:** Cut and position (1) 3-1/2" by 42" strip facing **right-side up**. T-Temp L2 Layout Sheet #9 and T-Temp L1 Layout Sheet #10 are used to cut (4) pieces for each template.

**Step 2:** The (4) pieces are stacked beneath each Layout Sheet. Cut on *Line 1* to separate the Sec. Templates. Sew the TRP lines on each template then place (4) each (T-TLS) L1 & L2 into each Bag #L1 and #L2.

**Step 3:** Cut (4) 2-1/2" by 42" strips from Fabric L9. The strips are stacked facing **right-side up**, placing (2) strips each in (2) stacks. Units L1R, L2R, L3R, L4R, (TLS) #7 and Units L1L, L2L, L3L, & L4L, (TLS) #8 are used to cut (4) left and (4) right pieces for each (TLS).

**Step 4:** The (4) pieces are stacked beneath each Layout Sheet. Complete the cutting by slicing through the paper and fabric on each *Cut Line*. The left pieces are placed in Bag #L1, right pieces are placed in Bag #L2.

► Fabric L10, (TLS) #5, #6

**NOTE** - Quiltster: If you precut your fabric strips using the Quiltster APP, you will need to subcut the 20" strip into (8) 2-1/2" strips to achieve the number of strips listed in Step 1.

**Step 1:** Cut (8) 2-1/2" by 42" strips from Fabric L10. The strips are stacked facing **right-side up**, placing (4) strips in each stack. Units L1R, L2R, L3R, & L4R, (TLS) #5 and Units L1L, L2L, L3L, & L4L, (TLS) #6 are used to cut (4) left and (4) right pieces for each (TLS).

**Step 1:** The cutting is completed by slicing through the paper and fabric on each *Cut Line*. The left pieces are placed in Bag # L1, right pieces are placed in Bag L2.

**Cutting Fabric Swatches to Label your Papers:** On Page 16, there are (8) Star Groups labeled with the assigned Fabric #s printed on your foundation papers. Fabric swatches are cut from each fabric color, then pasted onto each Star Group. You will need to cut (5) small swatches from each Fabric #L1-L8, (24) small swatches from Fabric #L9, and (32) swatches from Fabric #L10. Before you cut your foundation papers apart, use the small swatches to label them. L1 = Yellow, L2 = Orange, etc (See the Table on Page 14). You can also use the graphics on Page 16 as a guide for which locations to glue a swatch on your newsprint sheets.
