► Preparing the Foundation Papers:

Step 1: Cut out the Foundation Papers and place them in the appropriate bags as shown in the following graphics. Sort and stack the associated Templates, T-Templates and Template Layout Sheets (TLS) on [NP 843, NP 844, TP 653, TP 654, and TP 655] in numerical order and place into a temporary bag. After the fabric has been cut, the individual Templates, T-Temp, and Sec. Templates from the (TLS) are placed into assigned Bag #s with their associated foundation papers. *Refer back to General Information Booklet for Foundation papers and templates for additional instructions on how to prepare your foundation papers and templates.
