

Wedding Star Table Topper

Size: 30" by 30"

Booklet #2

GENERAL INFORMATION

The Wedding Star Table Topper pattern is Judy's original Wedding Star design downsized to a 2 ring by 2 ring layout, measuring 30" x 30". This design makes a great teaching tool due to its small size, the fact that it is affordable to kit, and because students enjoy small projects that allow them to get their feet wet without the commitment to a large project they may not be able or willing to finish on their own. It is also just a cute size and makes a great companion project to the large quilt sizes or a stand alone accent to any table you may have in mind! This design has become a classic in the quilting industry and is one that continues to sell more each year than it did the year before.

Selecting Fabric: Ring Color Sets are general used to complete our Wedding Ring quilts and can be purchased as pre-packaged sets. For the Table Topper we have chosen to use yardage which will require you to cut your own 2-1/2" strips. Our yardage is based off the total inches required for each fabric color then rounded up to the nearest 1/8 yard. (Minimum yardage for each color would be 1/6 yard. We recommend 1/4 Yard).

Corner Pieces (Fabrics A1:a to A1:d): Choose (2) dark (A1:a and A1:d) and (2) medium fabrics (A1:b and A1:c) for the corners. The cover quilts used the same fabric for the dark corners and (2) different fabrics for the medium corners. One 3" strip for each fabric, A1:a to A1:d is required.
