

Step 3: Using a glue pen, glue the raw edges between both fabrics along curved seam in which you will be sewing. Quickly shape and match the curved edges before the glue dries.

Step 4: Position the pieces at your machine with Unit D2 next to the presser foot. This will result with Unit D1 being on the bottom next to the feed dogs.

NOTE - The Purple Thang: The Purple Thang works great as a third finger to help hold the pieces together when sewing the curves. It can be used to smooth out pleats and hold the edges together.

Step 5: Sew the pieces together. Make sure your machine is set to sew a quarter-inch seam allowance. Sew a few stitches, pulling the pins out as you sew.

Step 6: The basting stitches can be removed once the joining seam has been completed.

Step 7: The previous curved piecing steps are used to complete the curved seams for each of the different units and templates in this quilt.

LP 010: ILLUSTRATIONS B4-B10

► Assemble Group B: Units B1-B4

Larger illustrations of the assembly graphics are found on the LP 010 newsprint. You will find the pressing lines are easier to follow on the newsprint. Remember to match the smart corners at the beginning and end of each seam.

Illustration B-4: Arrange the Units into the order shown. Remove the foundation papers on each of the units.

Illustration B-5: T-Template B1 is sewn to Units S1-S4. Press towards T-Template B1.

Illustration B-6: T-Template B2 is sewn onto Group B. Press the seams towards T-Template B2.

Illustration B-7: Unit B1 is sewn onto Group B. Press towards Unit B1.

Illustration B-8: Unit B2 is sewn onto Group B. Press towards Unit B2.

Illustration B-9: Unit B3 is sewn onto the Group B. Match and pin your (TRP) lines before you sew. Press the seams in towards T-Temp. B2 and Unit B1.

Illustration B10: Unit B4 is the last piece sewn onto Group B. Press the seams towards T-Temp. B1 and Unit B2.

LP 010: ILLUSTRATIONS D1-D3

► Assemble Group D: Units D1-D3

If you need help with any of the curved piecing refer back to the instructions on Page 2.

Illustration D-1: Arrange the Units into the order shown.

Illustration D-2: Unit D2 is sewn to Units D1. Match and pin your (TRP) lines in the center and glue the ends where the Smart Corners match before you sew. Press towards Unit D1.

Illustration D-3: Unit D3 is sewn to Units D2. Match and pin the three (TRP) lines in the center. Glue the ends where the Smart Corners match before you sew. Press towards Unit D3.
