

GOLDEN HARVEST LINE DRAWING AND FABRIC REFERENCES

If you have used Quiltster to create your own color layout, fabric references are included in the program that tell you which fabric numbers apply to which pieces in the quilt. This makes a seamless tie back to the pattern. Use this drawing, the fabric reference graphic on the last page, and the Unit Charts throughout the pattern to complete the color layout for your Golden Harvest. To see what it will look like before you make your final fabric selection, use Quiltster!

QUILTING DESIGNS AND BINDING

Quiltworx.com has completed a variety of digitized quilting designs for several of our patterns. We have digitized a design for Golden Harvest. You may want to check out our webpage to find out if future designs become available for this quilt as well. The cover quilt quilting design was completed by Quiltworx.com. Quiltworx.com recommends Hobbs 80/20 batting or similar to get a nice, thin, but flexible finish to the quilt.

DOUBLE FOLDED BINDING INFORMATION

After the quilt top has been quilted, you can add the binding. Quiltworx.com recommends a 2-1/2" strip, ironed in half, lengthwise, then sewn to the front of the quilt and hand stitched down to the backside.
