### ► Preparing the Foundation Papers:

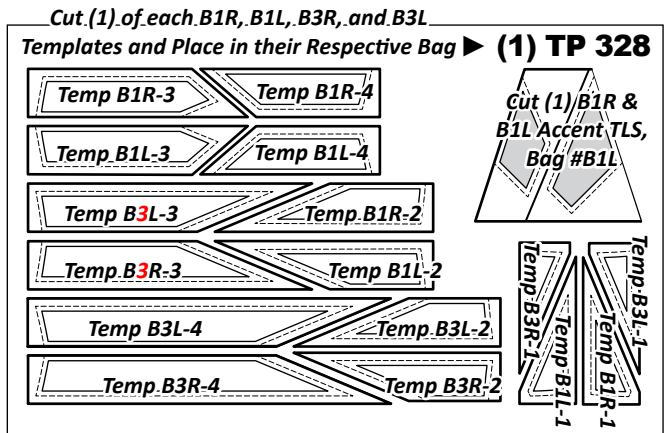

**Foundation Papers:** This booklet includes enough foundation papers to complete (1) 84-1/2" diameter star. The foundation papers and templates for this pattern are printed on newsprint. Newsprint is lightweight and tears away from your stitches without damaging the threads. Please pull apart this package and check, at this time, to make sure your pattern includes all of the newsprint shown to the right.

**Step 1:** Cut out (8) each of the Foundation Papers for Units B1R, B1L, B2R, B2L, B3R, and B3L [NP 516 and 517], along with (1) each of the Templates and Template Layout Sheets on [TP 327 & 328]. See the following newsprint graphics for the corresponding bag information for each of your units and templates. Make sure you are working with the Group B Bags that you prelabeled for this pattern. \*Refer back to General Information for Foundation papers and templates for additional instructions on how to prepare your foundation papers and templates.

### ► Amazon Geese Star Fabric Information:

The table on the following page includes yardage, Fabric Numbers, and a reference to which fabrics go with the Templates and TLS for Units B1L, B1R, B2L, B2R, B3L, & B3R. This table is your guide for not only selecting your own colors, but keeping you organized. A color layout below provides a graphical reference of fabric placement as well. Don't forget to cut a swatch of your chosen fabric to paste in the box in the Assigned Colors column on the table! An extra swatch for the foundation papers will be helpful with this group to keep the left and right units straight (See note on back page).
