CUTTING FABRIC S1-S8: BAGS AL/BR AND AR/BL

Fabrics S1-S8: Choose (8) fabrics blending in texture and value. The colors are shaded from light to dark. Color 1 is the lightest fabric, Color 8 as the darkest.

Step 1: If they aren't already cut, cut (1) 2-1/2" by 42" strip from each Fabric S1-S8.

Step 2: After the strips are sorted, the strips are cut in half leaving the length of each strip about 21" long. The half sets are numbered 1-8. The half sets are now divided into two sets of four strips as shown.

Step 3: After the strips are numbered, the strips are stacked in the order they are sewn onto the foundation paper. Stack the

strips as shown starting with Color #1 on the bottom stack the first four pieces as shown.

- Color 1, Right-side-up [Bottom]
- Color 2, Right-side-up
- Color 3, Right-side-up
- Color 4, Wrong-side-up [Top]

NOTE - A small fabric swatch should be cut off the end of each strip. Clip the swatches together and place with each stack. These will be used before starting the strip piecing on Page 7.

Unit AL/Unit BR

Step 4: Place the first set with the Unit AL papers in Bag AL/BR. The second set is placed with the Unit BR papers in Bag AL/BR.

Step 5: The second group of four pieces are stacked as shown starting with Color #8 on the bottom..

- Color 8, Right-side-up
- Color 7, Right-side-up
- Color 6, Right-side-up
- Color 5, Wrong-side-up

Unit AR & Unit BL

Step 6: Place the first set with the Unit AR papers in Bag AR/BL. The second set is placed with the Unit BL papers in Bag AR/BL.

NOTE - Don't forget to cut a small fabric swatch when you are done stacking.

NOTE - Double check your stack to make sure you placed them with the right foundation papers. The Light Strips are sewn to Unit AL and Unit BR. The Dark Strips are sewn to Units AR/ BL. Don't get them mixed up.

► Color Layout for the Paper-Side-Up.

Fabric C1, the main Back-ground, is not shown here.
