► Fabric Reference Information

The Ribbon Star Block is also referred to as Block AF so all the fabric references, units, template, and bag numbers will have AF in their names.

► Color Layout and Fabric Information:

The table below includes yardage, fabric numbers, and a reference to which fabrics go with the templates and (TLS) to complete Units AF1. This table is your guide for not only selecting your own colors, but keeping you organized. The color layout to the right shows you where each fabric goes in the unit. It shows the backside of the papers so it is easy to see how to mark your papers with fabric swatches. Also, don't forget to cut a swatch of your chosen fabric to paste in the box in the Assigned Colors column in the table!
