VALLEY BLOSSOMS LINE DRAWING AND FABRIC REFERENCES

If you have used Quiltster to create your own color layout, fabric references are included in the program that tell you which fabric numbers apply to which pieces in the quilt. This makes a seamless tie back to the pattern. Use this drawing and the Unit Charts throughout the pattern to complete the color layout for your quilt! To see what it will look like before you make your final fabric selection, use Quiltster! http://www.quiltster.com.
