

► **Color Layout**

The color layout shown matches the printed side of the paper, which reflects the backside of the quilt.

► **Fabric B1: Unit B1 & B2 Background (TLS)**

NOTE - If you used the By Block Cutting Instructions in Quiltster under the yardage information to precut your strips, each 13" strip is subcut into (2) 6-1/2" strips in Step 1.

Step 1: Cut (16) 6-1/2" by 42" strips from Fabric B1. Stack the strips facing *right-side up* into two groups of (8) strips. **Unit B1 Background (TLS) #1** is aligned with the right edge of your strip on your first stack.

Step 2: Cut (8) pieces matching the size of the (TLS). The cutting is completed by slicing through the paper on each *Cut Line* to separate the individual sections. Clip the paper templates to the fabric beneath and place the section templates in Bag #B1.

Step 3: **Unit B2 Background (TLS) #3** is aligned with the left edge of your second stack and **Unit B2 Background (TLS) #2** is aligned with the right edge. Cut (8) pieces matching the size of each (TLS).

Step 4: Complete the cutting on each *Cut Line*, clip the paper templates to the fabric beneath and place the section templates in Bag #B2.

► **Fabric B2:a - B2:m (13 Colors)**

Step 1: Cut (1) 2-1/4" by 42" strip from each *Fabric B2:a-B2:m*. The strips are arranged then stacked in alphabetical order facing *right-side-up* according to the assigned Fabric #s.

Step 2: Cut the strips into two equal halves measuring 2-1/4" by 21".

Step 3: After the strips are cut, remove the **TOP three fabrics, Fabrics a, b, & c**, from the first stack, then assign the remaining strips to Unit B1. The second stack is assigned to Unit B2.

Step 4: Position one each **Unit B1 & B2 (TLS) #4** on each stack.

Step 5: The cutting is completed by slicing through the paper on each *Cut Line* to separate the individual sections.

Step 6: The template pieces for Units B1 & B2 are now sorted by color placing (8) pieces cut from each color into one stack. Clip the pieces together then repeat for each additional fabric. **Place the templates for Unit B1 in Bag #B1 and the templates for Unit B2 in Bag #B2.** Note that in both cases, Sec. 2 is B2:m and you work your way in reverse alphabetic order to B2:d (Unit B1), and B2:a (Unit B2).
