

GROUP B: FEATHERED STAR BORDER INSTRUCTIONS

Ziploc Storage Bags: You will need (2) bags to complete the organization for these Instructions. Label the bags as follows:

- Bag #B1, (8) Unit B1, Foundation Papers
- Bag #B2, (8) Unit B2, Foundation Papers

► Preparing the Foundation Papers:

Foundation Papers: This chapter includes enough foundation papers to complete (8) Border Groups. Please pull apart this package and check, at this time, to make sure your pattern includes all of the newsprint listed below.

Cut out (8) of each **Unit B1, and B2** found on [NP 389]. The associated Templates and Templates Layout Sheets on [TP 211] are cutout, and arranged in chronological order, then placed into a temporary bag. After the fabric has been cut the individual Sec. Templates are placed into assigned Bag #s with their associated foundation papers. See the newsprint graphics below for information on how to organize your units and templates into bags. **Refer back to General Information under Foundation Papers and Templates for additional instructions on how to prepare your foundation papers and templates.*

NOTE - Alternate B1 and B2 Accent Templates: These Templates are not used in this pattern. They are used if someone wants all of their B2 fabrics to be the same color and will save a little yardage. But, in this design, each point in the feature is a different fabric, so you do not need these templates. Cutting instructions are not included for their use.

► Yardage Chart:

The yardage chart that follows includes yardage, fabric numbers, and a reference to which fabrics are assigned to the Template Layout Sheets to complete Units B1 & B2. This table is your guide for not only selecting your own colors, but keeping you organized. Don't forget to cut a swatch of your chosen fabric to paste in the box under the *Assigned Color* column! Fabric Color Layout: The *Color Layout* for *Group B* has been provided to help you match up the fabric numbers with the assigned *Units* and *T-Templates* on the yardage charts!

► Fabric Color Layout

NOTE - The color layout shown matches the printed side of the paper, and the backside of the quilt.

NOTE - Templates and (TLS) are repositioned on the cut strips to achieve the number of cuts required in the cutting Instructions. Please read carefully to ensure the correct # of pieces are stacked beneath each template before cutting.

NOTE - Repositionable glue placed on the backside of each template will keep the (TLS) from moving in the cutting process.
