GROUP B5, FLYING GEESE INSTRUCTIONS

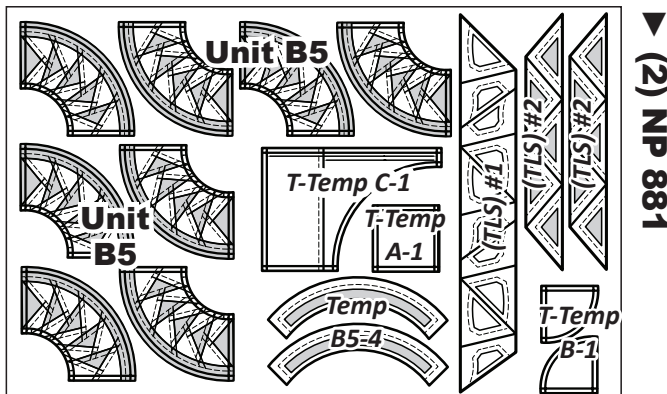

Ziploc Storage Bags: You will need (2) bags to complete the organization for these blocks. Label the bag as follows to stay organized while cutting the Foundation Units and Templates. This package includes (16) Foundation Units. However, you will only need (12). We recommend setting aside the remaining (4) units and (1) set of TLS 1 & 2. You can use the extra blocks later for other projects if you like. See Page 15 for more information.

- **Block Group Bag B5: (12)** Unit B5 Foundation Papers
- **Template Bag:** Templates and Template Layout Sheets.

► Preparing Foundation Papers & Templates:

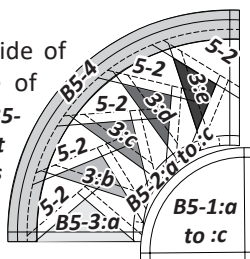

Cut out (12) Unit B5, [NP 881]. The Templates and Template Layout Sheets (TLS) are placed in the Template Bag. After the fabrics have been cut, the individual Sec. Temp's are placed into the assigned bags with their associated foundation papers. See the newsprint graphics that follow for information on how to organize your units and templates into bags. *Refer back to General Information under Foundation Papers and Templates for instructions on how to prepare your foundation papers and templates.

NOTE - T-Temp C-1 and T-Temp A-1 are not used in Suncatcher Table Toppers. See Page 15 for more information on ways to use the extra blocks in this pattern, however.

► Color Layout:

The color layout matches the printed side of the paper, which reflects the backside of the quilt. **Please Note: Fabric #s B5-3:a to B5-3:e have each been assigned to a different geese section. You will also make (4) blocks with Fabric B5-1:a and B5-2:a, then (4) with B5-1:b and B5-2:b, then (4) with B5-1:c and B5-2:c.**

► Fabric Information:

The Unit Chart includes yardage, fabric numbers, and a reference to the Fabrics #s assigned to the (TLS's) for Unit B5. Fabrics B5-1:a to :c are assigned to the melon, Fabrics B5-2:a to :c are assigned to the (BKG), B5-3:a to :e to the geese, and B5-4 to the vein.

GROUP B5: CUTTING INSTRUCTIONS

NOTE - Stacking Strips: Always remember to stack your strips in alphabetical order when working with multiple colors.

NOTE - Reuse your Templates and TLS: Templates and (TLS) are repositioned on the cut strips to achieve the number of cuts required in the cutting Instructions. Please read carefully to ensure the correct # of pieces are stacked beneath each Template before cutting.

► Fabric B5-1:a, :b, :c: T-Temp B1

Step 1: Cut and stack (1) 3-1/4" by 42" strip from Fabric B5-1:a to Fabric B5-1:c. Position the strips facing **right-side up**.

Step 2: Unit B5, T-Template B1 is used to cut (4) pieces from each fabric. Reposition the templates as needed to complete the cutting. Clip the pieces together and place into the Block Group Bag #B5.
