► Color Layout

NOTE - Backside Graphic: The color layout shown matches the printed side of the paper, and the backside of the quilt.

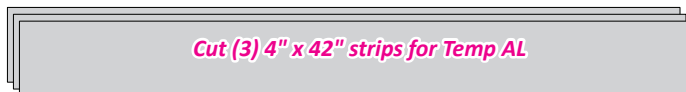

NOTE - Stacking strips: Templates and (TLS) are repositioned on the cut strips to achieve the number of cuts required in the cutting Instructions. Please read carefully to ensure the correct # of pieces are stacked beneath each Template before cutting.

NOTE - Glue: Repositionable glue placed on the backside of each template will keep the templates and (TLS) from moving in the cutting process. After each cut simply reposition the template to the next location.

► Fabric C1: Unit A and Temp AL & AR

Step 1: Cut (6) 4-1/2" by 42" strips and (5) 4" strips from Fabric A1 and position into the following stacks, facing **right-side up** on your cutting table.

Step 2: Place the **Unit A Background TLS A-3 & A-7** on one set of (3) 4-1/2" x 42" strips. Cut (8) pieces of fabric, the size and shape of the TLS. Repeat this process with the other set of (3) 4-1/2" x 42" strips and the **Temp A-2 & A-8 TLS**.

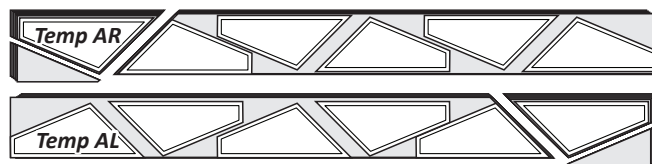

Step 3: Restack the fabrics **right-side up**, then place the respective TLS on top of each stack. Cut through the paper and fabric on Lines 1 to 8, in numerical order, to separate the template pieces for each section.

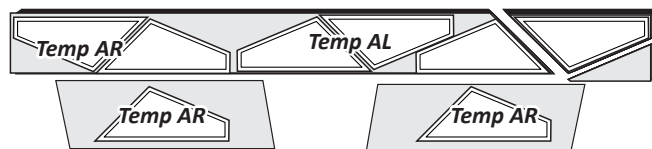

Step 4: Clip the templates and the fabric pieces together for each section. Place the stacks back into Bag A with the Unit A papers.

Step 5: Place **Templates AL and AR** on the (2) stacks of (2) 4" x 42" strips, as shown. Cut (12) pieces using each template.

Step 6: From the last 4" strip, cut (4) Temp AL and (2) Temp A4 for a total of (16), ea. Then, from the leftover pieces in Step 2 from your Temp A-2 to A-8 pieces, cut the final (2) pieces of Temp AR. Clip all (16) of each together and place into Bag A.

► Fabric C2: Unit A, A-1 TLS

Step 1: Cut (2) 5" x 42" strips and stack them **right-side up**. Position the **A-1 TLS** onto both strips and subcut (8) pieces the size and shape of the TLS.

Step 2: Re-stack the fabric pieces under the layout sheet facing **right-side up**. Cut through the paper and fabric, in numerical order, on the Cut Lines, for a total of (32) pieces the size of **Temp A-1**. Clip all the pieces together under (1) Template and place with the foundation papers in Bag A.

► Fabric C3: Unit A, A-4 & A-5 TLS

Step 1: Cut (2) 5" x 42" strips and place next to each other, **right-side up**.

If you already cut the 5" strips, use this cutting chart instead
