

Step 3: Position **Unit D1L (TLS) #2** on the second stack of (4) strips, aligning it in the top left corner. Cut (4) pieces matching the size and shape of the (TLS). Reposition the (TLS) along the bottom right corner and cut (4) additional pieces.

Step 4: Stack (8) fabric pieces beneath each (TLS) with the *Fabric D1:b* pieces on the bottom and *Fabric D1:a* pieces on the top. Place a paper clip on each section and finish by cutting on each *Cut Line* in numerical order to separate the template pieces.

Step 5: Place the D1R pieces with the Unit D1R foundation papers and the D1L pieces with the Unit D1L foundation papers in Bag #D1.

► Fabrics D2:a & D2:b: (TLS) #3 & #4

NOTE - Quiltster: If you precut your fabric strips using the Quiltster APP, you will need to sub-cut each 10" strip into (2) 5" strips to achieve the number of strips listed in Step 1.

Step 1: Cut (4) 5" by 42" strips each from *Fabrics D2:a* and *D2:b*. Stack the strips facing *right-side-up*, in (2) stacks of fabric with (2) strips each from *Fabrics D2:a* and *D2:b*.

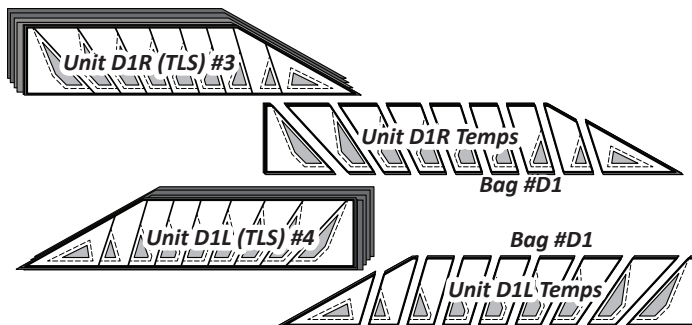

Step 2: Position **Unit D1R (TLS) #3** on the left-hand end of the first stack of (4) strips. Cut (4) pieces matching the size and shape of the (TLS). Rotate the (TLS) and cut (4) additional pieces.

Step 3: Position **Unit D1L (TLS) #4** on the second stack of (4) strips. Slide the layout sheets to the left-hand end. Cut (4) pieces matching the size and shape of the (TLS). Rotate the (TLS) and cut (4) additional pieces.

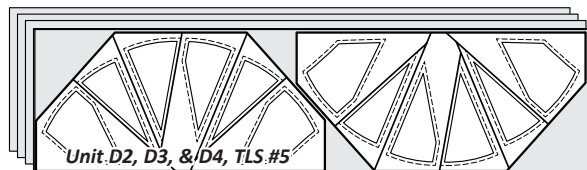

Step 4: Stack (8) fabric pieces beneath each (TLS). Place a paper clip on each section and finish by cutting on each *Cut Line* in numerical order to separate the template pieces.

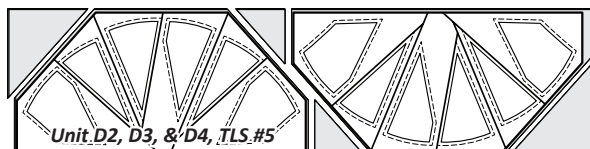

Step 5: Place the D1R pieces with the Unit D1R foundation papers and the D1L pieces with the Unit D1L foundation papers in Bag #D1.

► Fabric D3: (TLS) #5

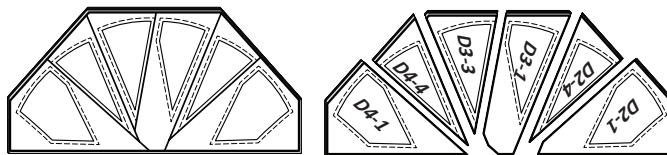

Step 1: Cut (4) 10-3/4" by 42" strips from *Fabric D3*. Stack the strips facing *right-side-up*.

Step 2: Use **Unit D2, D3, & D4, (TLS) #5** to cut (8) pieces. Start by placing the layout sheet on the bottom left corner, and cut (4) pieces matching the size and shape of the (TLS). Reposition the (TLS) along the top right corner and cut (4) additional pieces.

Step 3: Stack the (8) fabric pieces under the (TLS). Place a paper clip on each section and finish by cutting on each *Cut Line* in numerical order to separate the template pieces. Place the following templates pieces with their associated foundation papers in Bag #D2: Place D4-1 and D4-4 with Unit D4, D3-1 & D3-3 with Unit D3, and D2-1 & D2-4 with Unit D2.

► Fabric D4: Temps D2-2 & D4-2

Step 1: Cut (2) 4-1/2" by 42" strips from *Fabric D4*. Position each strip facing *right-side-up*. Use **Temp D2-2** and **Temp D4-2** to cut (8) pieces matching the size and shape of each template.
