GROUP D CUTTING INSTRUCTIONS

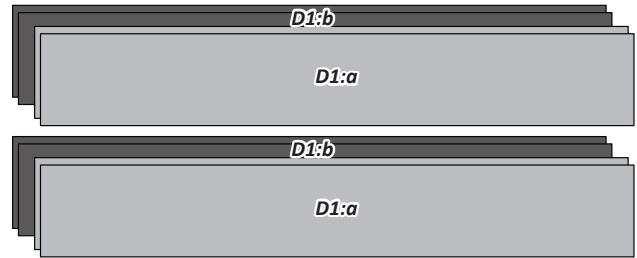

NOTE - Stacking Strips: Templates and (TLS) are repositioned on the strips to achieve the number of cuts required in the cutting Instructions. Please read carefully to ensure the correct # of pieces are stacked beneath each Template or (TLS) before cutting.

NOTE - Glue: Repositionable glue placed on the backside of each template will keep the templates and (TLS) from moving in the cutting process.

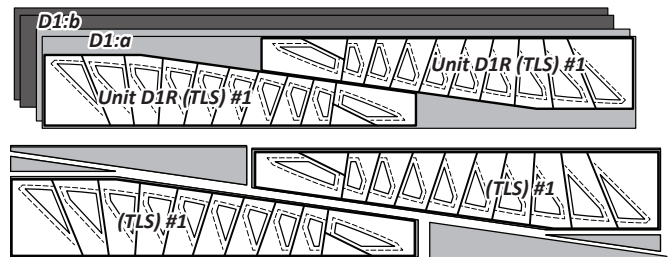

► **Fabrics D1:a & D1:b: (TLS) #1 & #2**

NOTE - Quiltster: If you precut your fabric strips using the Quiltster APP, you will need to sub-cut each 13" strip into (2) 6-1/2" strips to achieve the number of strips listed in Step 1.

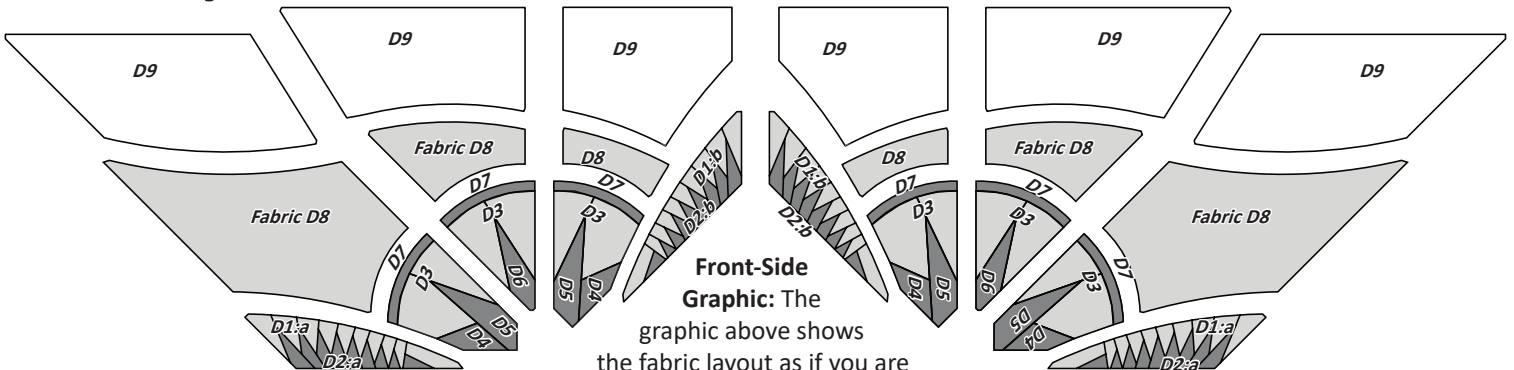

Step 1: Cut (4) 6-1/2" by 42" strips each from Fabrics D1:a and D1:b. Stack the strips facing **right-side-up**, in (2) stacks of fabric with (2) strips each from Fabrics D1:a and D1:b.

Step 2: Position **Unit D1R (TLS) #1** on the first stack of (4) strips. Slide the layout sheets as far to the bottom left corner as possible. Cut (4) pieces matching the size and shape of the (TLS). Reposition the (TLS) along the top right edge and cut (4) additional pieces.
