► Preparing the Foundation Papers:

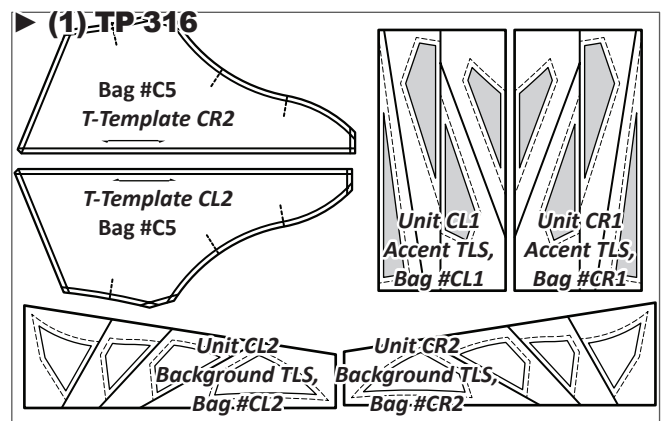

Foundation Papers: This booklet includes enough foundation papers to complete (1) 80" x 80" border. The foundation papers and templates for this pattern are printed on newsprint. Newsprint is lightweight and tears away from your stitches without damaging the threads. Please pull apart this package and check, at this time, to make sure your pattern includes all of the newsprint shown to the right.

Step 1: Cut out (4) of Units CR1, CL1, CR2, and CL2, from [NP 499], and the associated Template Layout Sheets (TLS) from [TP 315 to TP 317], placing these in the appropriate bag. Cut out (1) of each of the T-Templates CR1, CL1, CR2, and CL2 [TP 315 & TP 316] and place in Bag #C5. *Refer back to General Information Booklet for Foundation papers and templates for additional instructions on how to prepare your foundation papers and templates.
