

► **Checkerboard Fabric Information:**

This *Unit Chart* includes yardage, fabric numbers, and a reference to which fabrics go with the Templates and (TLS) to complete Foundation Sheets L1R–L4R and L1L–L4L. The color layout at right is a visual reference to help locate the assigned Fabrics #s for each of the foundation units.

► **GROUP L CUTTING INSTRUCTIONS**

**NOTE - Reusing Templates:** Templates and (TLS) are repositioned on the cut strips to achieve the number of cuts required in the Cutting Instructions. Please read carefully to ensure the correct # of pieces are stacked beneath each Template before cutting.

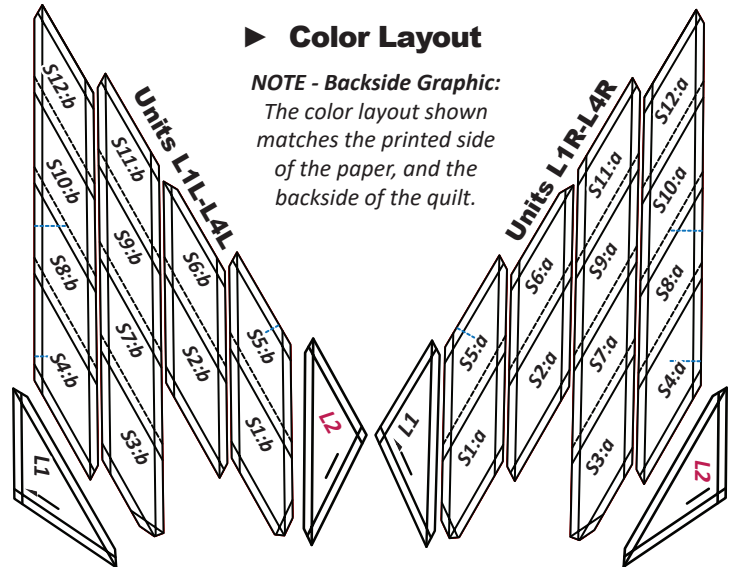

**NOTE - Repositionable glue:** Place on the backside of each template to keep the templates and (TLS) from moving in the cutting process.

► **Fabric L1: (TLS) #1 & #2**

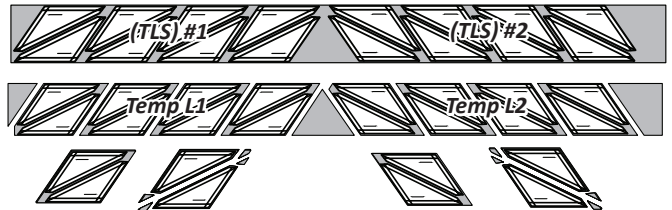

**Step 1:** Cut (1) 3-1/2" by 42" strip from *Fabric L1*. Position the strip facing **right-side up** on your cutting table.

► **Color Layout**

**NOTE - Backside Graphic:**  
The color layout shown matches the printed side of the paper, and the backside of the quilt.

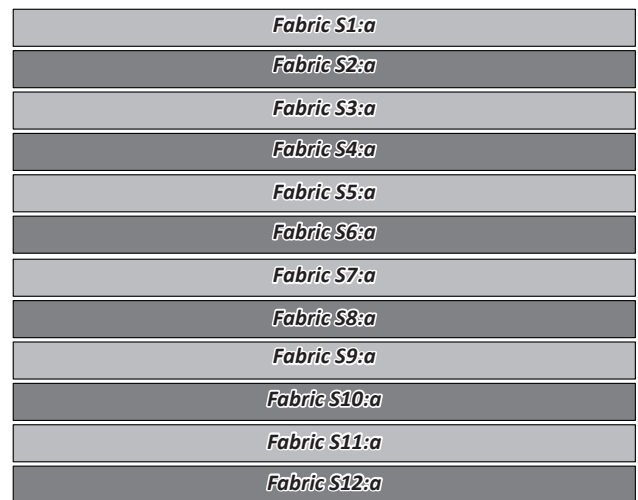

**Step 2:** Use *T-Template L1 Layout Sheet #1* and *T-Template L2 Layout Sheet #2* to cut (4) pieces matching the size of each (TLS), repositioning templates as needed for each cut. Stack the (4) fabric pieces beneath each (TLS). Complete the cutting by slicing through the paper on *Cut Line 1*. Clip the templates to the fabric beneath and place into Bag #L3.

► **Fabrics S1:a–S12:a, Strip Piecing Temp SR**

**Step 1:** Cut (1) 2-1/2" by 42" strip *each* from *Fabrics S1:a–S12:a* as referenced in your fabric chart at the left.

**Step 2:** Stack the strips in reverse order facing **right-side up** with Fabric S12:a on the bottom and ending with Fabric S1:a on top. Use *Strip Piecing Temp SR* to cut one template piece from each strip.
