## Travel Information for Quiltworx Retreats

---

### IF YOU ARE DRIVING:

We are located at 100 Lincoln Lane, Kalispell, MT 59901. This information can be typed into a gps system or map app and you will get directions directly to our location.

- **Coming from Canada, or a northern route into Kalispell:** you will need to get to Kalispell and take Highway 93 south, out of town. We are located approximately 8 miles south of Kalispell on MT-82 E. Once you get to the intersection of Hwy 93 and MT-82 E, (a gas station and hotel room mark this intersection, along with a streetlight) you will take a left onto MT-82 E. Once on MT-82 E, you will drive approximately 1 mile until you see Lincoln Lane on your left. The Training Center and Warehouse are the large brown metal buildings immediately to your left.
- **If you are coming from Missoula or Spokane:** take the appropriate route to get to Highway 93. From Spokane, this involves leaving the interstate at St. Regis, then taking a route through Plains, MT, to Highway 28, then to Highway 93. At the north end of the lake, you will drive through Lakeside, MT, then turn East along the north edge, and turn north away from the lake. Where the road turns north, this is Somers and there is a sign that says Del's Bar. About 1 mile past this location, you will come down the hill to an intersection with MT-82 E off. There is a stop light at the intersection, a gas station and hotel on your left. Take a right at this intersection, then travel approximately 1 mile and Quiltworx is on your left. You will turn onto Lincoln Lane, and then immediately to the left, is the Warehouse and Training Center, which are large brown metal buildings.

### IF YOU ARE FLYING:

The Glacier International Airport (Code: FCA) is currently (2023) serviced by Delta/SkyWest, Alaska, United, Sun Country, American. Please check their website for up-to-date information as our airport is expanding its size and the airlines it services. <https://iflyglacier.com/>

### ADDITIONAL NIGHTS:

If you need to come in the day before the Retreat, it may be possible for you to stay at the Quiltworx Training Center for an additional \$150 the night before. Please make these arrangements with us at least 90 days in advance by contacting [retreats@quiltworx.com](mailto:retreats@quiltworx.com). In most cases, you should be able to plan for transportation and air travel on the day of check-out without issue. If there are special circumstances and you need to fly out the following day, you may be able to stay at the Quiltworx Training Center, again for an additional \$150 per night.

**GROUND TRANSPORTATION:**

The airport provides a list of services for shuttle and car rental options. <https://iflyglacier.com/ground/>

There is ample parking at the Quiltworx Training Center. It is up to you whether you'd prefer to use a shuttle service or rent a car. Please be sure to book shuttle services, taxis, ride shares etc... several days in advance. Many of our retreat attendees drive in as well and transportation to local quilt shops is normally something that is easy to find from fellow retreat attendees.

If you have additional needs or questions about travel, feel free to contact us at [retreats@quiltworx.com](mailto:retreats@quiltworx.com) and we can assist you accordingly.
